

SGA Junior Development Order of Merit 2025

Updated 22th December 2024

Introduction

SGA will maintain a Junior Development Order of Merit (JDOOM) for SGA junior events (Refer to *Annex B*). The JDOOM tracks players based on their performance from 01 January 2025 to 31 December 2025.

SGA JDOOM

1. There are six divisions in the JDOOM:

Division	Age (as of 1st Jan 2025)
Boys 'A'	12-14 years old
Girls 'A'	12-14 years old
Boys 'B'	9-11 years old
Girls 'B'	9-11 years old
Boys 'C'	5-8 years old
Girls 'C'	5-8 years old

2. All juniors who are aged between 5-14 (as of 1 January 2025) are eligible to earn JDOOM points at the selected SGA events (Refer to *Annex B*).

3. The JDOOM will be computed according to the total number of points that have been accumulated. The list will be updated at the beginning of each month. All tournaments up to the end of the preceding month will be captured.

Use of JDOOM

4. The JDOOM will be used as the main selection tool for:

4.1. Selection/requalification of juniors into the SGA Future Squad.

- The Top 10 Boys & Top 10 Girls in 'B' Division will requalify for the SGA Future Squad in 2026. (Players must still be eligible for age in 2026)
- The Top 6 Boys & Top 6 Girls in 'C' Division will requalify for the SGA Future Squad in 2026.

4.2. Selection for SGA Junior Squad

- The Top boy and Top girl non SGA high performance squad member in 'A' Division will qualify to get into the SGA Junior Squad in January 2026

4.3. Qualification for Grand Final (TBC)

- The Top 10 Boys & Top 10 Girls in both 'A' & 'B' Division will qualify for the Grand Final.
- The Top 6 Boys & Top 6 Girls in 'C' Division will qualify for the Grand Final.

4.4. Qualification for Uswing Mojing Junior World Championship

- The Top Boy & Top Girls in 'B' Division will qualify for Uswing Mojing Junior World Championship in 2026. SGA will offer financial support for the selected players in that tournament.
- The Top Boy & Top Girl in 'C' Division will qualify for Uswing Mojing Junior World Championship in 2026. SGA will offer financial support for the selected players in that tournament.

Points calculation

5. Point values vary depending on the tier of the event. There will be 4 tiers based on the table below. (Refer to *Annex A*)

6. For ties, all points that would have been awarded accordingly will be pooled and divided equally among those who are tied.

For example, in a **Tier 4** event, Player A, B and C finished tied for 2nd. Based on the points breakdown provided, we will pool points awarded for 2nd (500), 3rd (350), 4th (250) and divided by 3.

$500 + 350 + 250 = 1100/3 = 366.67$ (rounded up to 2 decimal points) will be awarded to all 3 players.

If a player is tied in a position that does not give points past a certain position, the points given for the final position will be applied.

For example, in a **Tier 4** event, the last position that gets points is 10th. If Player A is tied 9th with 3 others, the following calculation will occur:

160 (Player A) + $150 + 150 + 150 = 610/4 = 152.5$ will be awarded to all eligible players

7. The SGA Junior Development committee reserves the right to amend the calendar and categories of the selected events.

8. The points distribution for each division is the table below (Refer to *Annex A*).
