ABOUT US

National Body for the Sport of Golf

The Singapore Golf Association (SGA), established in 1961, is the National Sport Association governing the game of golf in Singapore. As a non-profit organisation with Institution of Public Character (IPC) status, SGA is dedicated to promoting mass participation, enhancing the golfing experience and nurturing talent within the sport.

OUR MISSION

To be a national governing body of golf that monitors golf development, golfing standards and participation by providing the golfing fraternity with the support it requires.

OUR VISION

- To develop and promote sportsmanship and character through golf.
- To identify and nurture a greater depth of talent.
- To become one of the leading golfing nations in Southeast Asia in terms of wins and world rankings.
- To be committed to promoting and developing the sport across all aspects of the golfing population.

PURPOSE OF FUNDRAISING

The Singapore Golf Association's fundraising initiatives support our High-Performance and Junior Development programmes, empowering Team Singapore athletes and nurturing the next generation of golfers. Proceeds from the Fundraising Golf Day & Stakeholders' Appreciation Dinner will contribute to pathway development, advanced coaching, training opportunities, and participation in regional and international competitions.

Eligible contributions will be matched dollar-for-dollar by the Government through the One Team Singapore Fund (OTSF), and all qualifying donations are eligible for 250% tax deductions.

PRESIDENT'S MESSAGE

Dear Partners, Stakeholders and Friends of Singapore Golf,

It gives me great pleasure to welcome you to the Singapore Golf Association's Stakeholders' Golf Day and Appreciation Dinner.

This gathering is more than an opportunity to enjoy a round of golf together. It is a celebration of the partnerships, friendships and shared commitment that have helped shape the continued growth of golf in Singapore.

Over the past few years, Singapore golf has made significant strides. We have witnessed encouraging performances by our athletes on the international stage, successfully hosted world-class championships, expanded participation across all segments of the community, and strengthened the foundations of our sport.

None of these achievements would have been possible without the unwavering support of our valued stakeholders. Together, we have strengthened the foundations of Singapore golf, guided by a shared vision of growing the game, nurturing future generations and ensuring that golf remains inclusive, sustainable and accessible to all.

On behalf of the Singapore Golf Association, thank you for your friendship, trust and continued support. I hope you enjoy the fellowship on the golf course this afternoon and have a wonderful evening with us.

Mr Tan Chong Huat
President
Singapore Golf Association
